## **Willerby & Kirkella, Tranby & Anlaby May 2025**

### **Willerby & Kirkella Ward – April 2025**

### **Tranby Ward – April 2025**

#### **Meet the team-**

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constable (PCs) and Police Community Support Officers (PCSOs) all under the command of an inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us.

## **Community Priorities May 2025**

- **Reduce Theft**

We are aware of concerns regarding Thefts in the Ward areas, and we have been working hard to prevent further offences. Throughout May we will be completing regular patrols in the areas of concern.

- **Reduce ASB – Anti-Social behaviour**

Our Policing Teams works with our key partners and the community to reduce anti-social behaviour and the anti-social use of motor vehicles. We provide proactive responses to reports of anti-social behaviour in our neighbourhood Area and are constantly reviewing our patrol strategy to address this. We are working hard with partners to address this and ensure our market towns and rural communities are a safe place to live and work.

You will see a clear police presence on patrol in and around your neighbourhood over the coming months with the intention to engage with youths and obtain intelligence and deal with appropriately.

- **Speed enforcement – continuation**

We have carried out numerous speed enforcements throughout the wards and this will continue through the next bimonthly period.

## Crime Prevention Advice

### Protect your home during the warm weather

Whilst we don't want to stop you from doing that, this is just a reminder that 1 in 3 burglaries within Humberside are committed where the burglar has gained entry through an open window or an unlocked door.

So, by closing windows that someone could climb through when you aren't in a room, and by locking your doors, you will make your home less of an easy target to an opportunist burglar.
