

ANLABY with ANLABY COMMON PARISH COUNCIL

– The Queen’s Platinum Jubilee –

The council marked The Queen’s Platinum Jubilee by providing commemorative coins to all the children at our three local primary schools, which were very well received. All local shops were also provided with bunting to brighten the parish and celebrate the event. The Queens passing in September was a day of great loss, but she leaves a legacy that the Jubilee celebrations recognised.

PROVISION OF DEFIBRILLATORS

The Parish Council has earmarked funds to provide defibrillators in the parish by providing grants to organisations that can install and maintain them.

Anlaby Park Methodist Church, Anlaby Common, have been the first organisation to apply and install a unit. This has been added to www.defibfinder.uk which shows all units registered with Yorkshire Ambulance Service and will be on theircircuit.uk as it is rolled out.

Grant applications and the eligibility criteria are available from the Clerk.

ANLABY LITTER PICKERS

The council are very grateful to this loose collection of over 30 local resident volunteers who agree to give at least 2 hours a month (unpaid) to help reduce litter around the parish and help improve the local environment as a supplement to the work carried out by the East Riding of Yorkshire Council.

ANLABY LITTER PICKERS (VOLUNTEERS)

The Parish Council provide a tabard, litter picking tool, pair of gloves and bin liners, free of charge. If you can help please contact the Clerk.

CHRISTMAS LIGHTS

Further lights were purchased for the trees in the centre of Anlaby and the roundabout by St. Marks Anlaby Common, which improved the festive look of the parish.

ANLABY IN BLOOM

Tree and bulb planting are ongoing projects for the council around the parish to improve the visual impact of the local environment. Funding was successfully applied for and 84 trees have been planted this year and many sacks of daffodil bulbs with further sites planned for next year. If you have any suggestions for sites please let us know.

Unfortunately several of the trees were snapped by vandals which is most annoying. As with all anti-social behaviour or vandalism please report it if you see it or have any knowledge of who has caused it. Please contact the Police on 101 or anonymously to Crimestoppers 0800 555 111

GRANTS FOR LOCAL PEOPLE AND ORGANISATIONS

The council is keen to give grants to organisations within the parish whose activities benefit the parish and if you are involved with such an organisation please contact the Clerk.

Grants have been made to;

Hessle and Anlaby Food Bank which saw a considerable rise in demand through the Covid pandemic.

Men in Sheds – a charity to help combat loneliness and isolation particularly in older people and is open to men and women and provides the opportunity for many activities.

Haltemprice Bowling Club, Anlaby

Haltemprice Skate Park – in the grounds of the Sports Centre on Springfield Way. It is open most days and open to all, free to use and great fun. It is run by volunteers, even a bit of the cleaning up! The Committee could do with some donations and help...talk to us.

REMEMBRANCE IN ANLABY VILLAGE

An Anlaby resident has highlighted that there might be a wish to have a Remembrance feature in Anlaby Common or Anlaby Village Centre. Have we got a team of residents that might like to make a feature of poppies etc, for a display for all to see in 2023?

Our village and past residents have had a great influence in the local history.

Could you be part of that team? If so, let's start planning in advance.

A request has been made to the Humberside Police and Crime Commissioner for the Community Payback team (previously known as community service) to consider areas around the parish for activities going forward including Springfield Way and Beverley Road past St. Mary's Care Centre and the Spire Hospital.

One of the key aims of the Parish Council is to represent your views, as they are important to us and it helps us shape the area you live, work and spend your leisure time in. We are keen to have resident's input and feedback on matters of importance to you and your community.

Please give us your views and feedback through any of the methods below.
