*Humber-talking has set our priorities, this month we are to:*

## 1. ASB

Willerby Retail Park – Reports of youths causing anti-social behaviour in the shops and McDonalds causing harassment, alarm and distress to the staff and customers.

## Action

There will be Proactive high visibility patrolling of the area to give reassurance to the stores of our presence and to deter any issue.

## 2. Reducing Burglaries

During winter months, it is usual for us to see crimes such as burglary and theft rise, particularly if houses and vehicles are unattended.

Burglars are often opportunistic thieves who prey on houses, garages, sheds, and outbuildings. They seek out any opening that they can take advantage of, specifically doors and windows that are left open or unlocked or are easy to force.

## 3. Shoplifting

### How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in that area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.
