Willerby & Kirkella Ward – June 2025

Tranby Ward – June 2025

Meet the team-

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constable (PCs) and Police Community Support Officers (PCSOs) all under the command of an inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us.

Community Priorities June 2025

- **Retail Theft**

Shop theft continues to be an ongoing issue and throughout the coming weeks we will continue to hold police surgeries in retail to provide a visible presence and a point of contact for members of the public and for shop staff. There will also be high visibility patrolling of retail areas.

- **Anti-social behaviour**

The summer months will undoubtedly see a rise in reports of ASB and therefore we will continue to deliver high visibility patrols to hot spot areas. We will also continue to engage with schools to identify any youths involved.

- **Operation Coastline**

Whether you're planning a seaside stroll, enjoying a picnic by the shore, or visiting local attractions, our coastal towns and villages are filled with springtime activities. However, this busy season can also present opportunities for crime and antisocial behaviour. To help keep communities safe, local neighbourhood policing teams, the Rural Task Force, and the Community Safety Unit will be out on high visibility patrols and engaging with those across the area. Our Roads Policing unit will be actively patrolling key routes, using both marked and unmarked vehicles, to tackle and deter crime and antisocial behaviour.

Meet your officers 2025.
