3. Community Priorities for August 2023

Humber talking has set our priorities, this month we are to:

- 1. Reduce ASB – improve the quality of life**
- 2. Reduce Thefts**
- 3. Drugs**

Drugs – Intelligence

We continue to review and act on drugs intelligence. We ask that you report any concerns around drugs misuse that you have. You may have information that adds to an ongoing concern, and this can really help when we apply for Warrants. You can speak to us at a Police Station of your convenience in confidence or alternatively report via 'Crime-Stoppers' at <https://crimestoppers-uk.org/>

Accidentally pocket-dialled us 📞? Pressed your emergency SOS? Don't hang up – help us to be more efficient ↓

If you have an Android phone, you can check your emergency settings to turn off the functionality added in the latest update.

Go to 'Settings' then 'Safety and Emergency' and slide the button which says 'Emergency SOS' to switch the functionality off.

Calls to 999 where the operator cannot hear anyone on the line (silent calls) are never just ignored; our call handlers will always call you back to make sure you're ok. If you do accidentally dial 999, it's not a problem but please don't hang up - stay on the line to let us know it was an accident and that you don't need any assistance. That saves us approximately 20 minutes and means we can get back to the important job of answering the calls of those in need.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

The number to call for non-emergency issues is 101
