Willerby & Kirkella, Tranby & Anlaby April 2025

Willerby & Kirkella Ward – March 2025

Tranby Ward – March 2025

Meet the team-

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constable (PCs) and Police Community Support Officers (PCSOs) all under the command of an inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us.

Insp 5567 Wilson

Sgt 1444 Taylor

PC 1037 Taylor

PCSO 7852 Danby

Community Priorities April 2025

1. Prevention of Residential burglaries

Operation IRE related to a series of high value burglaries involving theft of safes in the East Riding towards the latter end of last year. Hotspot patrolling was carried out in both uniform and plain clothes capacity. Since this series of burglaries there have been no further which match the modus operandi. This appears to have been a targeted and organised string of burglaries. Patrolling in the area will continue. Reassurance visits have been carried out throughout affected areas along with crime safeguarding advice and advice on installing security cameras/alarms.

2. Improving Road Safety – Speed Enforcement

Reports have been made to us regarding speeding in the local area, namely Springfield Way and Lowfield Road. Humberside has recorded a high number of fatal road traffic collisions with 7 fatalities within the first 10 days of January. We

Parish/Town News Release

have carried out speed enforcement with the Pro Laser in areas identified to us as repeat areas for speeding. This has included areas around schools in conjunction with the Safer Streets scheme. In all locations that this has been carried out we have not measured any vehicles exceeding the speed limit.

Speed has continued to be highlighted as an issue throughout ward area so will continue to be a priority for the next beat plan.

3. Retail Theft

We have continued to engage with retail premises throughout this period. This has involved high visibility patrolling and engagement, alongside surgeries being held inside retail premises. Between 1st February 2025-28th March 2025 there have been 28 reported shop thefts throughout Willerby/Kirk Ella and Tranby. This will continue to be a priority area moving forward due to the increase in shop theft incidents. We will continue to hold surgeries and will conduct more foot patrol in retail areas.

Other news

Shielding victims of domestic abuse

FORCEWIDE

Forty-three people have been arrested on suspicion of Domestic Abuse offences so far as part of our continued commitment to tackle those harming our community through Operation Shield.

Of these, twelve have been charged and remanded with offences including assault, harassment, stalking, public order, breaching of domestic violence protection, or non-molestation orders, and are now going through the judicial process.

Meet your officers 2025.

Parish/Town News Release

At this time of year when spring arrives and the clocks go forward, Burglaries of sheds and garages usually start growing! The police together with Neighbourhood Watch Groups are asking for your help. The value of property in sheds and garages is more than people think. Thieves are targeting them for power tools, cycles and sports equipment. Hand tools are stolen and used to break into homes.

Let's weed out these thieves by getting some **sheducation!**

Secure the access to your shed or garage by locking gates and using thorny bushes.

Have you visibly marked the contents of your shed? Note of serial numbers, take photos.

External security lights which are activated by movement are a useful deterrent.

Doors of sheds require attention. Use strong hasp/staples and close shackled padlocks.

Use coach bolts or non-return screws to secure door hinges.

Chain cycles, mowers, ladders and tools to a strong anchorage point.

Alarms for sheds and garages are available for under £20 at most DIY stores.

Together we'll crack crime. Join a home watch scheme.

Exactly what insurance cover do you have? Check that your household policy covers you for theft from your garden and outbuildings.
