Humber-talking has set our priorities, this month we are to:

- 1. Preventing Theft*

We are aware of concerns regarding Thefts in the ward area.

Action - We have been working hard to provide support and guidance to prevent further offences, whilst completing enquiries to identify and tackle those responsible. We will be completing regular patrols in the areas of concern.

If anybody has information about those responsible for these types of offences, then please contact us through the 101 number or alternatively, by calling the independent charity Crimestoppers (0800 555 111).

- 1. Reduce ASB, Criminal damage.*

We regularly deploy high visibility patrols to our communities in response to reports of criminal damage, drug dealing and anti-social behaviour involving scrambler bikes and mopeds.

The local policing team have also had productive meetings with partners from East Riding Council, Parish Councils and Neighbourhood Watch groups to listen to community concerns.

We understand how distressing acts of mindless vandalism in our parks and green spaces can be and I want to reassure the community that we take a zero-tolerance approach to anti-social and criminal behaviour.

NOT PROTECTIVELY MARKED

File classification: NOT PROTECTIVELY MARKED - NO DESCRIPTOR

Parish/Town News Release

Our officers are also committed to eradicating the harm that the illegal and anti-social use of off-road bikes cause to the communities through our Operation Yellowfin.

Action - As we enter summer, members of our Policing Teams will conduct regular high-visibility patrols and partnership working is ongoing to make sure that all Wards are a green space for everyone to enjoy as we head into the summer months.

Rest assured, where we receive reports of anti-social and criminal behaviour, we will not hesitate to act. If you witness any such behaviour in your community, please let us know so we can respond, target patrols to the relevant areas and stop criminals in their tracks.

Anyone who wishes to report anti-social or criminal behaviour can contact The Police on 101 or East Riding of Yorkshire Council on 01482 393939

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

Over the years we have seen some absolutely fantastic projects, from raising money for a defibrillator, to cleaning up public spaces, to encouraging small acts of kindness to brighten someone's day – our Lifestylers have done some incredible things for our local area.
